## **Lane Closures on Westbound Interstate 80/94 under Torrence Avenue**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on westbound Interstate 80/94 under Torrence Avenue (Illinois 83), in Lansing, weather permitting, Saturday, September 10. The closures are necessary for a bridge inspection on the structure that carries Torrence Avenue over Interstate 80/94.

Beginning at 3 a.m. on Saturday, various lane closures will take place on westbound Interstate 80/94 under Torrence Avenue, about one mile east of Illinois 394. At least two lanes will remain open at all times. The bridge inspection is expected to be complete by 2 p.m.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
